Dr. Tommy Teague
Senior Pastor

As we rapidly approach the year 2000, the advancements in technology continue to amaze me! Pagers, cell phones, computer, video imaging, the Internet and the list is endless. Each of these advancements has been marketed and delivered to us as assets that will simplify our life style and facilitate more discretionary time for meaningful relationships.

Unfortunately, the contrary seems to be true! Instead many people today are isolated, insulted and immune. Do you know anyone like that? Even though we live in the midst of a new high tech culture, people still need to be touched, loved, and affirmed.

At North Richland Hills Baptist Church these values are very important to us. Our desire is to provide a balanced, well-rounded ministry that will guide people to life changing experience in Jesus Christ as Savior and Lord, provide opportunities for you to grow and mature in your journey of faith and to create an atmosphere where life long relationships are established and nurtured through regular social interaction. WE place a high priority on knowing you personally and facilitating a myriad of opportunities for you to believe, become and belong through this family of faith. This is why we have produced this directory! We want you to have a tool that will assist you in putting names and faces together so that we can effectively meet and minister to the needs of each individual.

May God richly bless you through the ministry of North Richland Hills Baptist Church and may He continue to shine His grace upon you as you faithfully abide in Him.

Your Pastor,
Tommy Teague
